### Vehicle Information:

The 2007 Acura TSX is a 4-door, 5-passenger sports sedan, available in 4 trims, ranging from the 6-Spd MT to the 5-Spd AT w/ Navigation System. Upon introduction, the 6-Spd MT is equipped with a standard 2.4-liter, 14, 205-horsepower engine that achieves 22-mpg in the city and 30-mpg on the highway. A 6-speed manual transmission with overdrive is standard. The 5-Spd AT w/ Navigation System is equipped with a standard 2.4-liter, 14, 205-horsepower engine that achieves 22-mpg in the city and 31-mpg on the highway. A 5-speed automatic transmission with overdrive is standard. The 2007 Acura TSX is a carryover from 2006.

The Estimated Market Price is a national average of base model prices paid by consumers. Actual prices will vary by region, dealer, and options selected. Picture(s) for general illustration only. Actual vehicle(s) may vary depending upon level of features you choose. Photos Copyright 2003 Automotive Information Center The estimates shown above are based on information provided to Autoweb.com Inc. by independent sources. They are for U.S. vehicle configurations and are shown in U.S. dollars. Please keep in mind that prices can change without notice and there are many factors that affect vehicle pricing. **There are additional costs not shown here** which vary from state to state and even region-to-region. These include taxes, title, registration, and emission fees. Specific vehicles may have dealer- or manufacturer-added options not shown here that also affect price. In addition, there may be regional marketing and advertising fees or other costs that are beyond a dealer's control. Your Autoweb.com Accredited Dealer will help you understand how a vehicle's price is calculated and would be happy to answer your questions on specific vehicle configurations.

# Buying A New Car

## Car Shopping Tips

When it comes to shopping for your next car, knowledge is power. However, the dizzying array of facts and figures on the hundreds of models available can be confusing. Here's some tips on what to look for when you're doing your research. Don't forget to visit [www.autobytel.com](http://www.autobytel.com) throughout your shopping process to maximize your research efforts.

### Safety

All vehicles are required to meet minimum safety standards established by the Federal government. However, many now come with additional features you may find attractive. Front-air bags are commonplace, but side- and rear-airbags are a plus for many car shoppers. Other safety features to ask about:

- Anti-lock brake systems (ABS)
- Traction/electronic stability control
- Four wheel/all wheel drive
- Child safety locks
- Child seat anchors/integrated child seats
- Rear seat shoulder harnesses
- Rear seat headrests

### Performance

A vehicle's performance is subject to taste, but there are some variables that are easy to compare. Torque and horsepower contribute to acceleration and top speed; if these are important to you, more is definitely better. Engine size also contributes to overall power. For example, a 4.7-liter V-8 with 250 horsepower will generally outperform a 3.2-liter V-6 with 200 horsepower. The tradeoff is fuel economy, with smaller and less powerful engines usually being more fuel-efficient.

### Quality

Most vehicles built today are put through rigorous quality processes to ensure satisfaction. However, some vehicles continue to shine in the area of reliability. Reliability reports as well as consumer reviews can provide helpful information in this area. Additionally, carefully compare the warranty offered. Some manufacturers that traditionally have not had a reputation for superior quality offer more aggressive warranties to offset this perception.

### Ergonomics

Satisfaction with the bells and whistles offered on a vehicle varies by driver and simple things such as how the air conditioning, radio and windshield wipers work may turn out to be long-term annoyances. A test drive will tell you a lot about how comfortable you are in a vehicle, but don't forget to check professional and consumers reviews as well. Some aspects of ergonomics take a while before you notice them and hearing from owners who have had the vehicle for a while will prove invaluable. Before you buy, here are some things to check:

- Seat belts

- Cup holders
- Interior lighting
- Hood and trunk releases
- Seat adjustments
- Sound system
- Temperature controls

### **Making the purchase**

Whether you're interested in an economical commuter car or a full-size sport utility vehicle, understanding what to look for will help you find the vehicle that best matches your needs. Once you've narrowed your choices, use the Autobytel purchase request process to receive a no-obligation, up-front quote from a local dealer, as well as a no-hassle test drive. You'll never buy the old fashioned way again.

## **Advantages Of Using Autoweb**

### **How can Autoweb help me?**

Autoweb can help you research and buy your next car, whether you're looking for a new or pre-owned vehicle. We can help you sell your existing vehicle, and once you've bought your new car, assist you in maintaining it by providing service reminders and recall notices. Whether you're looking to buy, sell, or maintain your vehicle, we can help with easy to use services.

### **How the service works**

Autoweb makes researching your next car easy. Simply click on "Research" to start. You can access information on features and options, MSRP and Estimated Market Price, consumer and professional reviews, and information on safety and vehicle specifications. Whether you're looking for information on a specific make and model, comparing several vehicles, or just browsing, our research section has the information and tools you need. When you've found the car you're looking for, try our easy to use "Ready-to-Buy" service to get free up-front pricing and delivery information on the vehicle you choose from an Accredited Autoweb Dealer in your area. The Internet Manager at the dealership will usually contact you within one business day with up-front pricing and delivery information on the vehicle selected. If you like what you hear, visit the dealership, test drive the vehicle, and purchase it at the agreed upon price. Nothing could be easier!

### **Is your service free?**

The valuable research information, tools, and our dealer referral services are free to you. Thousands of dealers are part of our network. They are committed to providing upfront pricing and delivery information as well as superior service. We monitor service delivery by surveying customers who submit a purchase request.

### **Quotes from Happy Customers**

"Thank you for your service—you helped me with my decision of where and what to buy!"

**Cheryl Beaman**  
Chicago, Illinois

"I was contacted by a member of Weisleder Auto and did purchase a new car from them. Their sales person, Brian Leo, was courteous, knowledgeable and very helpful. I will be recommending him, his firm and Autoweb.com in my car search to others."

**Irv Bersak**  
Monroe Township, NJ

"I am happy to report that I am now driving the vehicle I sought thanks to Nelson Honda's prompt response, competitive pricing and courteous service. Their contact person Larry Cope was very helpful in locating my desired Honda Accord and having it available for delivery to me on short order. This was my first Internet buying experience with such a large ticket item and needless to say, I am extremely pleased with the way it worked out. I would definitely recommend this site to friends and acquaintances."

**Allan T. Demchak**  
**Boones Mill, VA**
